# LOCAL SEA FARMED FISH

Prime Aqua Sea Farm is situated in the east coast of Pulau Tekong. Our sea farm's first harvests have been selling at most Prime Supermarket outlets since April 2019.

The harvests include threadfin, sea bass, red snapper, silver pomfret, golden trevally, hybrid grouper, crab and lobsters will be coming on board soon too! We ensure our farmed seafood are fed with quality fish food and natural feeds from the sea, and no hormones are applied to accelerate their growth.

Look out for our "LIVE" catch (from harvest to store in 24hours!) at Sembawang Blk 365, Jurong West Blk 763, Tampines Century Square, Bukit Batok Blk 373, Tampines Blk 823 & Bidadari Blk 106!

Support homegrown farm produces for its freshness and quality.
