7th Month Festival Tips

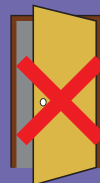

Don't stick your chopsticks in your food, as hungry ghosts may mistake your food for offerings.

Don't kick or step on roadside offerings; the spirits might be angered and follow you home.

Avoid getting married or moving house during this inauspicious month.

Don't leave your front door open all night, as negative energy may enter your home.

Don't sit in the front row during shows; they are reserved for spirits only.
